

Soumadip Ghosh Chowdhury

Electrical Engineer

Career Objective

As a recent graduate in Electrical Engineering, I am eager to apply my academic knowledge and practical skills to contribute to innovative projects in the field. Seeking an entry-level position that allows me to utilize my expertise. My goal is to continuously learn and grow within a dynamic work environment, while making meaningful contributions to the development of cutting-edge technologies. I am dedicated to applying my problem-solving abilities and passion for sustainable solutions to drive progress in the electrical engineering domain.

Projects

- Diploma final year project - Tesla coil
- B. Tech Project - IoT-based Smart Irrigation System.

Technical Skills

- HTML, CSS
- C, Python
- Microsoft Office

Industrial Training & Certification

- Completed a 4 weeks Vocational Training and Certification from WBPDCCL
